Dear Tom:-

Needless to say, we enjoyed our visit with you yesterday, and for all your time, attention and hospitality. We have come to expect nothing else from you. Many thanks.

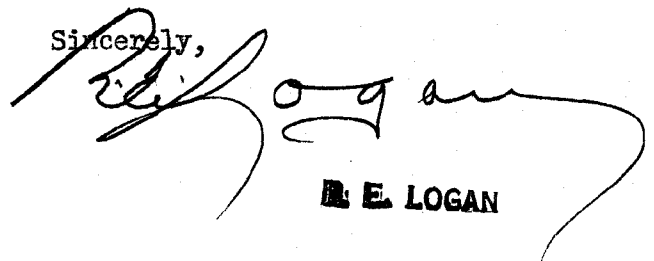

I neglected to leave copies of vouchers for severance tax with you, and therefore, am mailing you four copies, which you said you would like - one for Rudolph Rydin, T. A. Blair, C. B. McClelland and yourself.

This voucher in amount of \$ 1,291.23, covers period October 1st, 1953 to July 31st, 1954, both inclusive, and is in accordance with your Producer's Reports.

Am going to talk to Mr. Pomeroy by phone today, regarding certain figures, and other matters re Haystack. Am sending him voucher for his, and Mr. Menninger's signature, after which I shall file voucher and reports with the Severance Tax Division of the Bureau of Revenue, N. M.

Hope I may have your August report soon.

Sincerely,

R. E. LOGAN

Mr. R. E. Logan, Tax Agent
The A. T. & S. P. Ry. Co.
Amarillo, Texas

Dear Mr. Logan:

Attached are Producer's Monthly Report, beginning with the month of October 1953 and ending with July 1954, as required by the Severance Tax Division of the New Mexico Bureau of Revenue.

The delay in getting these forms to you was occasioned by our awaiting receipt of the necessary forms from the Severance Tax Division. We repeatedly asked for these forms and finally received 20 copies on August 23rd which was insufficient to supply you with a copy for your file.

Mr. J. C. Bergere, Director of the Severance Tax Division, advises in his letter of August 19th and from which I quote:

"We are mailing you a supply. These forms were not made up for uranium, but we have been using them. The items set up as deductions, are those allowed under the law. However, for security reasons, at present we are only requiring the net taxable value and the amount of tax paid. That is, only the last two items need to be filled out".

The gross value of the ore as set forth in Producer's Monthly Report, includes amounts received in payment for the uranium and vanadium content of the ore. Bonus payments are included in the month in which payment was received from the Atomic Energy Commission. The deductions are based upon the cost of crushing and sizing the ore to meet the Atomic Energy Commission's specifications. The loading cost includes loading the ore at

Mr. R. E. Logan

the mine for transportation to the blending pile and also cost of haulage to the ore buying station.

The Severance Tax law grants the tax payer an exemption of \$200,000 annually which shall be deducted from the gross value before computing the tax. In our computation, we have deducted each month one-twelfth of \$200,000, or, \$16,666.66.

We have assembled detailed figures showing tonnage, gross value of the ore, and the various items that are deductible. These figures are available for inspection by the Severance Tax Division.

Yours truly,

T. O. Evans

Gentlemen:

We regret the delay in getting your forms to you for making your reports on uranium production.

It was our understanding that these were to be mailed to your Albuquerque office. We mailed a supply to them sometime ago.

We are mailing you a supply. These forms were not made up for uranium, but we have been using them. The items set up as deductions, are those allowed under the law. However, for security reasons, at present we are only requiring the net taxable value and the amount of tax paid. That is, only the last two items need to be filled out.

Mr. T. O. Evans,
Chief Mining Engineer,
Grants, New Mexico.

Dear Mr. Evans :

Your File 164-28, letter of July 19th.

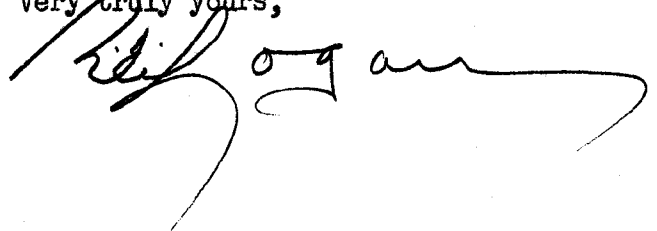

Am just wondering what might be holding up
the statement for period October 1, 1953 and including June, 1954.

I have discussed the matter of severance tax
returns with the Bureau of Revenue a couple of times, and they
gave me until August 26th, or longer, if necessary, to file and
pay.

If we need further time, will you kindly advise
that I might consult further with Mr. J. C. Bergere, Director,
Severance Tax Division.

Incidentally, I have filed our Ad valorem return,
and am sending you copy of it for your information and file.

Very truly yours,
